Lotus Place is a dedicated support service and resource centre for adults who as children lived in out-of-home care and adults who experienced sexual, physical, emotional and spiritual abuse in out-of-home care or religious or institutional settings.

Micah projects supports people who have experienced abuse to seek acknowledgement and redress from Churches, Governments and Community Organisations who failed in their duty of care.

The Prime Minister Scott Morrison will deliver a National Apology to victims and survivors of Institutional Sexual Abuse on Monday 22nd October 2018. The National Apology will be delivered at Parliament House in Canberra, will acknowledge and apologise for the appalling abuse endured by vulnerable children, by the very people that were supposed to care for them, leaving immeasurable and lasting damage.

To encourage attendance from across Australia, a national ballot process will be conducted to allocated seats in the Great Hall of Parliament House and provide travel assistance where required. The ballot can be accessed online at this address

If you don't have access to a computer or would like assistance to complete the form, please call either Tamaine or Selena on 4927 7604 and we will assist you to apply.
