Hello Everyone

Hope you are all safe and well and at least some of you are ready for Christmas its only a matter of weeks away! Before you know it we will be saying hello to 2023!

I must say 2022 was a little bit better than 2021, on the Covid scene!

So, what did we do with 2022! Wow how quickly it went by!

Lotus CQ office welcomed Jodie Pearce on board in the Redress position whilst Tamaine took some much-needed time to look after her little bundle of joy.

Mackay region was joined with the Rockhampton and Bundaberg Regions

Jo and Kelcy got to know our regions a great deal more with Jo visiting Mackay once a month whilst Kelcy went to Bundaberg

General feedback from you guys another successful Remembrance Day in September 2022, which I might add can't wait until 2024 to reopen that treasure chest.

Jo and Kelcy are excited to see what 2023 will bring and look forward to working with and supporting you all in the new year.

Jo, Kelcy, Deb and Jodie from the Lotus CQ office would like to wish you all a very merry Christmas and a Safe and Happy New Year! See you all in 2023.

*Self-care" means looking after yourself.
It means treating yourself as a person who deserves care.
Be mindful of your self-care over the Festive Season*

Christmas can be a tough season for most of us

Be gentle, generous, and patient with yourself

- It's ok to prioritise what's best for you, even if others don't seem to understand.
- Think about what you need and how you might be able to get it.
- Consider talking to someone you trust about what you need to cope.

"I don't really celebrate Christmas and always enjoy taking the day as time just for me, a whole day of self-care and selfishness!"

Plan ahead

- Think about what might be difficult about Christmas for you, and if there's anything that might help you cope. For example: If you sometimes experience [flashbacks](#), [panic attacks](#) or [dissociation](#), make a note of what helps during these moments, and keep it with you.
- If you're going to be somewhere unfamiliar for Christmas, think about what you need to help you cope. Are there things you can bring to make you feel more comfortable? Or is there somewhere you can go to take a break?
- Certain places may feel very uncomfortable for you, for example if they bring back difficult memories. Could you plan to spend less time in difficult places, or not go at all? Are there any reasonable excuses for you to stay away?
- Think about whether you really need to do things if you're not looking forward to them. Can you do them differently or for less time?
- Make a list of any services that you might need and their Christmas opening hours.
- If you're worried about feeling lonely or isolated this Christmas, think of some ways to help pass the time. For example, this might be doing something creative or spending time in nature.

"Take your time. Christmas can be a very busy time of year, if you need a break don't feel bad about taking one."
